

WOUNDED WARRIOR PROJECT RESTORING ONE LIFE AT A TIME

DEFENDERS OF FREEDOM: HELPING WOUNDED WARRIORS LOCALLY

T-Rock is honored to hire and help provide for America's Wounded Warrior families through defenders of freedom. Each project puts America's wounded soldiers One step closer to true self reliance and stability.

Additionally, we donate 10% of our Proceeds or the deductible to help with family Medical bills / support.

100% of the money is given to Local Texas Wounded Warrior families. You can see exactly who are local heros are as You meet them on the project and or visit.

DallasRoofer.com/DefendersOfFreedom

Please be supportive and understanding of their trials and situations and help us give thanks to them one project at a time. **It's not just a project to us, It's our way of honoring them.**

We finally survey the project with you to ensure your complete satisfaction.

5 SIMPLE STEPS TO HOME RECOVERY

FAQs (FREQUENTLY ASKED QUESTIONS)

HOW MUCH WILL THIS COST ME?

Most insured home owners pay nothing and It **WILL NOT** raise your premiums. Call us for an 15 min appt and let us explain how. We show you step by step.

WILL I HAVE TO MISS ANY WORK?

No. We are happy to meet with your insurance adjuster on your behalf and represent your best interest; we always welcome you to be there if you like. We work around your schedule and can meet nearly any time, day or night.

WILL MY YARD BE A MESS?

No. We roll powerful magnets throughout your property to gather as many nails as possible. Our crews and contractors canvass the property several times to collect any debris.

DO YOU PROVIDE A WARRANTY?

Yes. A minimum of 10 years up to lifetime warranty.

WHAT ABOUT MY WALL DECOR?

Due to the amount of vibrations during construction, we do recommend that you remove any items from walls and shelves that could potentially fall off and break prior to starting the project.

HOW LONG DOES THE PROCESS TAKE?

The claim process may take anywhere between two days up to six months to complete depending on many factors. Ask your contractor for more details regarding your specific project.
